

# Construction Lenders

Improve Your Efficiency

Provide Better Customer Service

Reduce Your Workload by 50%

## AFP Internet Select™

Eliminate Your "Busy" Work

**"AFP Internet Select™ is the last loan servicing technology you'll ever have to learn... Our solution is scalable and offers unlimited capacity."**

- **Create management reports within seconds using a custom report creator**
- **Eliminate corrupted data, overfunding and time wasted verifying amounts by utilizing hard-coded formulas**
- **Eliminate time spent on phone calls, e-mails and faxing**  
Automatically orders progress inspections with spreadsheets
- **Manage and store the digital images taken at each inspection**  
All of your project data will be easily accessible from a single application
- **Automatically update and store each progress draw's line item disbursement accounting**  
You can view and print the data in "real time", and instantly retrieve project history
- **Quick and Easy Setup**  
Instantly convert your projects' historical data, so you are immediately up and running on a single application
- **No Startup Fees**  
AFP Internet Select™ requires no additional hardware or software purchases and there are no startup fees
- **Outstanding Customer Service**  
Our help desk can be reached using a toll free number, and we assure a same-day response
- **Includes an easy to follow 30-minute on-line training session**

**AFPSolutions, Inc.**  
Construction loan accounting made simple

Construction Disbursement Services

AFP Solutions, Inc. offers services for progress inspections, disbursement

accounting and direct payments to subcontractors and suppliers on construction projects throughout the United States. Our services can be engaged by lenders to eliminate their workload or to support their staff by taking over projects they would rather not service. Our services can also be engaged by owners wanting better payment control for their project. To learn more go to the National Fund Control™ website

[www.NationalFundControl.com](http://www.NationalFundControl.com)

## **AFP Funding Request™**

AFP Solutions, Inc. offers a free 'prospect generating' service to our customers and to other lenders. Owners looking for construction loans are sent to you by e-mail with their project information and contact information. To learn more go to the AFP Funding Request™ website.
